

Dor-O-Matic/Falcon Dogging Kit

Item #229-1010 Doromatic part # KIT.1197

- Works for 1690 Series/1790 Series/2390 Series Exit Devices
- The dogging assembly is used to dog the door into the open position, so people can enter the building without having to unlatch the door
- Uses the PB-232 5/32" Hex Dogging Key
