## Light-Up Dial Lock Boxes

Master Lock's new light-up dial boxes offer customers the freedom to control access to their property with improved operation, especially in dark and low-light conditions.

The 5424D's shackle design offers over the door mounting for convenience while the 5425D's wall mount design offers permanent installation.

Ideal for real estate professionals, small business owners and contractors, users can easily attach their lock box to a doorknob or other permanent fixture and be confident their keys and access cards are secure.

### Features:

- Large easy to read light-up, set-your-own combination dials for better visibility, especially in low light conditions
- Dials light up automatically each time the weather cover is opened
- 2-7/8in (72mm) Wide durable metal construction
- Large Open Lever for more comfortable use
- Durable weather cover prevents freezing and jamming
- Easy to replace battery with CR2032 installed
