KEDEX K-17 • Security Guide & Bolt

The K-17 Security Guide & Bolt **replaces the flimsy plastic guides and flush bolts** provided by many manufacturers with quality steel. With a relatively simple installation, you eliminate the possibility of a burglar breaking in by merely snapping the plastic bolts.

Made of steel, cadmium plated to prevent rust, the K-17 works with the Builders Brass Works & Slide-Co flush bolts.

- Use the short side to replace the BBW Guide.
- Use the long side to replace the Slide-Co & W&F Guides.
- Replaces plastic pin with steel bolt.
- Self-Tapping screws included.
