## CODELOCKS

### CL5210 Tubular Latch Show Offer

Codelocks designs and distributes a wide portfolio of innovative, standalone keyless door locks and access products for a range of growing markets. Our products include stylish push-button mechanical locks, digital electronic locks, KitLock locker locks and smart solutions, which are easy for users to manage and operate using a keypad, card and smartphone. Convenience is at the heart of all our products.

CL5210 Tubular Latch is the ultimate standalone electronic door lock. Top of the range digital lock tested to Grade 2 ANSI A156.2/A156.25.

Heavy duty locks for use in high traffic applications. The stylish design incorporates all the features of CL2000 and CL4000, in a larger, more robust assembly. Unlike the other electronic locks, the CL5000 has a conventional 3x4 button keypad layout for instant familiarity, providing quick programming with a multiple range of functions. Particularly suitable for use in health, educational, commercial and residential environments.
